Benvenuti nel nostro stabilimento! (Welcome to our establishment)

You are wondering...Borgata. Is it someone's name? Or maybe a place. Well, Borgata is the original term given to the suburban townships, villages, and neighborhoods that surrounded Palermo, Sicily. So, there you have it; Borgata Bar means "Neighborhood Bar." We are positioned in the first floor of a one-hundred-year-old building in Little Italy. The building has had many lives of wining, dining and entertaining. Our food is top flight. From scratch lasagna to our house made sauces, we're sure to impress. Become a fan as so many have of our burgers, flat breads or sandwiches. And finish it off with a Crème Brûlée, a piece of cake, or our homemade bread pudding.

We're happy to have you here, and we hope you enjoy your experience!
